courtney

Believe it or not guys Courtney is just about to go into her first year of college. Her body is unbelievable as is her pretty kitty that she's willing to show you. Why? Because this photo session is one that will help her pay her tuition. Courtney is such a beauty and extremely sexy. Between set changes, she told us she has an appetite for dick a little bit more intense than your average coed. We had a blast with her because she was a real trooper during the shoot.

ALL YOU HAVE TO DO IS THINK OF ME AS YOUR SPRINGTIME BACKYARD ADORNMENT.

All of us guys and girls standing behind the camera wanted to jump in and drill that young pussy too. When she heard us whispering about her, her face turned beet red, but within a second, that infectious smile reappeared and put us all at ease. She said she had a boyfriend and would come back with him to do some more shoots. After all, she intended to spend four long years in college. Believe us, you will have her video on repeat for the next couple of weeks, We guarantee it!

shae & Kennedy

We never get tired of watching sexy lesbian girls pleasuring each other. Shae was horny and lonely when she texted her girlfriend to come over to the house and give her some loving. She waited on the bed for Kennedy. These two lovely ladies didn't waste any time making out and then tasting each other. They didn't just lick pussies either. One of the babes actually turned her girlfriend over to lick her tight asshole over and over again.

THERE'S NO GREATER PLEASURE ON EARTH THAN WATCHING TWO BEUTIFUL WOMEN.

this has to be one of the most sensual, and fun lesbian sessions ever caught on tape. It's hard to believe that at first Kennedy was a bit shy but once Shae went down on her, that kind of brought out the nasty girl in her and let's just say that this she flourishes in all areas and it's definately something to be seen. We hope you enjoy watching them as much as we did.

IT'S A SPECIAL TIME

SOFT & SLOW

IT'S GOOD TO BE YOUNG AND IN LOVE

The first thing she notices is that Jayson's truck is not in the driveway. It's Friday night. Mona just got home from class. She gets to the door, unlocking it, as she pushes it open walking, inside. She kicks off her shoes, and drops her keys and books on the table. She turns towards the stairs climbing them slowly. She reaches the bathroom turning the shower on hot. Slowly she strips off all her clothes. She reaches above her head pulling her hair out as her curls fall over her shoulders slowly. She climbs in the shower. The hot water slowly cascading over her young body. She washes all over her body with just her body wash on her hands. She rubs her hands over her boobs, soaping them up slowly. She softly moans as her hands rub soap all over her sexy body.

She giggles a bit as she rinses her body just as slowly. Her hands wiping the soap away with clear water. She slowly washes, then rinses, her hair shutting the shower off. She climbs out putting her robe on throwing her hair up in a towel. She walks down the hall towards her room. She hears her phone ringing down in the living room. She turns back around running down the stairs hoping that they won't hang up. She reaches her purse grabbing her phone answering it slowly.

"Hello." she answers softly.
"Hey Mo, are you home yet?" Jayson asks on the other end.

"Yeah, I'm home. I just got out of the shower. Why Jayson what's up?" she answers kinda confused.
"I just wanted to make sure and let you know I will be home in a few. Can you do me a favor?" he asks.

"Okay, what do you need Jayson?" she asks.

"Well I'm feeling kinda lonely. Will you wear something sexy for me tonight? I know it is a lot to ask but if you knew what I'm thinking you would love it." he says soft and slow.

"Um, okay, I think I can manage that." she says all cocky.

"Okay see you soon." he says hanging right up.

Mona runs up the stairs to her room. She shuts the door behind her locking it. She dries the rest of her body off as she rummages through her sexy lingerie. She tries everything on until she decides on a corset set. She puts on a red and black leather corset, a black thong, black thigh high fishnets with a black garter belt and some black pumps. She puts her hair in pigtail french braids, and puts on her make-up. She finally emerges from the room all done she heads back downstairs.

Mona is sitting on the couch looking at the door out of the corner of her eye, watching the television with the other. Her body looking so perfect in her naughty little outfit. She sits flipping through the channels for about twenty minutes before she hears Jayson's truck pull in the garage. She walks out to the kitchen leaning over into the fridge shaking her ass. Jayson walks in from the garage right into the kitchen. He stops in his tracks. Mona can feel his eyes moving up and down her body. She stands up slowly turning to face him.

"Do I turn you on baby?" Mona asks grinning big. "Mona, I have wanted you since I first laid eyes on you. You are so perfect. I love you so much. But before tonight I have always felt you were too immature." he answered confidently.

MONA KEEPS SUCKING ON HIS BIG COCK AS HE EXPLODES.

"Well then come and get me, cause I want you too." she says sitting on the counter before him.

Mona's eyes met his as he pulled her face to his. Her lips met his in a hot passionate kiss. Mona's eyes shut slowly as they kissed deeper. Jayson's hands ran down her sides making her shiver slightly. Mona slowly wraps her arms around his hard body. Her tongue playing with his ever so slightly as their lips dance over each other. She feels her ass being grasped lightly as he lifts her off the counter. She wraps her legs around his waist. She pulls her mouth away from his kissing, slowly trying to catch her breath.

"That felt amazing." Mona says still trying to catch her breath. "Well then I never thought you would say that about me, but I'm glad you did." he says as one of his hands slowly slips inside of her thong. "Jayson, oh my god, please lay me down if you want to do that."

"But Mona, I only want to tease you. Well for a little while at least." he says biting her neck as he runs his fingers over her tight, wet pussy lips. "Okay, Mo, do you want to do it right here or in my bed upstairs?" he asks slowly as he pulls his hand away from her pussy licking his fingers.

"Upstairs. I wanna go upstairs." she pants.

Jayson holds her around his waist as he slowly climbs the stairs. Mona stares into this eyes as he carries her up. Jayson brings her into the bedroom laying her gently on the bed. She looks up into his eyes as she pulls her thong off. Jayson unbuttons his jeans pulling his shirt up over his head. Mona licks her lips as she runs her fingers over her tight wet little pussy. Her eyes flutter as her fingers run slowly over her clit. Jayson's eyes watch her hand intently as he pushes his jeans down and his cock pops out through his boxers. Mona raises an eyebrow as she licks her lips.

"Oh my god, your so big Jayson. I want to taste it so bad." Mona moves to her hands and knees crawling to the edge of the bed.

"Mona what are you going to do to me?" he asks grinning. "Just taste it a bit." she says pulling his cock deep into her mouth as she sucks on it hard. Jayson's body begins to shake gently. Mona's sucking harder, moving her head up and down. Jayson grabs her head, moving it faster in and out on his big, throbbing, hard cock. Mona's tongue slides around as she sucks, her hand massaging his balls slowly. She wraps her arms around his legs digging her nails in as she stares up into his eyes. Jayson lets go of her head and grabs the bedpost as he moans out loud.

"Oh my god, I'm gonna cum. Keep sucking." he says shaking hard as his cock spasms. Mona keeps sucking on his big cock as he explodes into her mouth. She swallows stream after stream of hot sticky cum. She jerks his cock getting every last drop out, pulling away, her eyes watering.

Mona looks up into Jayson's eyes. She moves her hands over her body. She slides a finger into her sexy little pussy. She moves it in and out – her mouth and face showing how good it feels. She stares at Jayson, waiting for him to come to her. He slowly climbs up the bed kissing up her legs. He gently bites her inner thighs as she jumps up into his mouth. Jayson slowly slides his tongue over Mona's hard clit over and over again. Her legs tremble slowly as her pussy loosens up a bit. Jayson moves his thumb to her clit as he rubs it, darting his tongue in and out of her wet pussy. Mona screams out in pleasure.

HIS EYES FIXED ON HERS AS SHE FLUTTERS BELOW HIM.

Mona's body thrashes beneath his long wet tongue. She starts to hump up into his face. She feels herself about to let go, clamping her pussy tight around his fingers. She grinds her clit up into his tongue. Mona shakes uncontrollably as she looks down. Her body lets go as she shakes so hard. He pulls away a little bit watching her pussy erupt. It shoots lady-cum up into the air. Jayson begins devouring it as Mona keeps cumming, covering his face. Jayson pulls away slowly, his face dripping in her honey. He licks his lips before slowly kissing her.

Jayson takes his rock hard cock into his hands as he pushes it into her tight wet hole. He works it into her gently. His eyes fixed on hers as she flutters below him. She pushes up a bit as her pussy takes more of his huge cock into her tiny body. He moves at an even pace as Mona wraps her arms around his body as she moves with him.

"Harder, baby, harder." she moans through her heavy breathing. Jayson keeps fucking Mona as he holds her to the bed. He leans over biting into her collar bone as they fuck. Her hands dig her nails into his back. Her pussy begins to spasm on his cock.

"I'm gonna cum all over your cock. Fuck me Jayson. Yeah, faster baby, faster." she screams as her pussy slowly explodes all over his hard cock.

"That's it baby keep going." he says as his body begins to shake. Mona keeps cumming all over him as she pushes up hard. He starts to breath heavy in her ear as he pushes in deeper. He lets go another thick load, pouring it into her tight mound. She lays there looking at him as he finishes cumming into her pussy.

Jayson pulls Mona to him as he cuddles her. She kisses him as she get comfortable in his arms. It is the first time she has ever let a man this close to her. She closes her eyes as she feels Jayson falling asleep with her, both of them naked in their warm cozy bed.

lilly

Lilly is a smart, 5 foot 8 inch babe who loves big dick and loves it often. But her teacher didn't have to know that, until she accidently left her cell phone open on the table and he read a message to her girlfriend. Armed with secret knowledge, he decided to get comfortable as he was about to tutor her. As soon as he pulled out her last test and showed her a D-, he held the upper hand. But there was a way she could improve her grade.

I DON'T KNOW WHY MY TEACHER WOULD BE STANDING NEXT TO ME SHIRTLESS.

She would have to suck his thick rod and do even more for that upgrade. Her mouth gets fucked and she sucks and gags on his meat! He destroys her tight pussy by being drilled by his giant cock for long enough. She begs for his cum and obliges by getting on her knees and sucks every last drop out of his cock and swallows it all! At least that's what we think happened, because we didn't make it all the way to the end of the scene!

We all love college-age girls. It's the age when women look their best. And Dillon is looking extra fine. She gives us a peek of her bald pussy, and it is all we need to see to get hooked in. In addition this beautiful babe starts flashing her incredible natural titties for the camera and showing off that insane booty, all while maintaining that ear-to-ear smile. But she is just getting warmed up because the action moves to poolside where this hottie plays with that pussy for us.

WHY WOULD I LEAVE MY BIKINI ON IF YOU WANT TO SEE ME NAKED? I WOULDN'T!

No doubt, this babe is really cute and probably sucks some mean dick. But at this point, with no cock around, Dillon chooses a classy, glassy dildo from her bag of tricks and shows us how it's used. This babe takes the toy deep into her pussy and flashed that big grin in between moans and groans. Unfortunately, we had to ask her to keep her vocal excitement level down for fear of disturbing the neighbors. She promised to do in the house for us if we really liked it. Who were we to say not.

OMG, IT HURTS SO GOOD!

milla

Milla had a new neighbor and she was just looking for an excuse to meet him. She came over saying her coffee maker machine was broken and wanted to use his. She knocked on the door but there was no answer even though she knew he was home. She tried the nob and the door opened, went in and saw him in the shower. She waited for him and when he got out she greeted him with a hungry mouth and eager pussy.

THE SHOWER IS ON AND NOW I'M WAITING TO SEE WHO'S GOING TO CUM OUT OF IT.

he was more than willing to do her the favor. Milla was a smoking hot babe with some serious curves, all ass and tits. He told her to relax while he put made them both a cup of java. When he came back, she started touching herself. As soon as he did, she got down and grabbed his cock and put it into her mouth. He was embarrassed at first, but soon realized she was all about it and wanted to fuck him. She showed she knew how to move her awesome body all over his cock.

MY REALITY SHOW

It's not easy being me, what with cameras all over your personal life and having to keep up this public persona. I'm not complaining, it was my idea to let them into my life and to do a reality show. It wasn't like I needed the money. I just thought it be fun, and maybe I can be a minor star for a while, and get out of my family shadow. But I didn't know I'd have to follow so many rule, and be on all the time. You try squeezing a 42–26–40 body like mine into a mini-dress a size too small, and then smile and joke and flirt as if you're not having trouble breathing.

It's no wonder I did what I did. A girl has to let loose some times, and I don't get many chances when the cameras aren't on me. And let me tell you, even before I did the show I couldn't walk into a party without every guy gasping and snapping photos of me to whack off to. I know, I know, I've got this ridiculously busty, delicious Mediterranean body that makes even women's eyes pop out. I know that, but man, I'm still a human being!

How ironic that's going to sound when I get this off my chest. Because when I got half a chance, I let myself become nothing but a sex body, a savage beast in taking heat, begging, literally begging to have a giant bazooka cock fire blast after blast into my ass, to destroy it, to serve me right or having a body no woman should a right to have. I'm getting horny again just thinking about that. And, well, you won't believe this, but I just noticed that as I've been writing, I've been playing with my left nipple through my dress and 36F, boobs. Wow, I

BEING ON A REALITY TV SHOW WAS EXCITING, BUT NOT AS EXCITING AS MY FANTASY, OR YOURS.

BLAIR-NTS-07

guess I even turned myself on. I hate being so narcissistic, but look at this body! Even I can't believe it! I'm totally boobs and ass with beautiful, silky black hair and the sultry fuck-me face. No wonder every guy wants to do me!

I guess in retrospect that's how I must've been thinking that night.

When you're rich, there are private clubs that are *private* private. Most rich people aren't famous, and with no paparazzi buzzing around it's not too hard to have on unmarked places where the help is paid obscenely high amounts. We can afford it. It's not a hardship to endure. They'll stay quiet, they know a good thing, and if they talk when they're not supposed to, well we just set up another unmarked place. After all it's just money.

Needless to say I haven't been to my favorite private club since the show started and I really missed it. You meet guys like yourself, who aren't awed by money or connections, and also their buddies, many of whom are rich but usually so cool that the rich guys want to hang around them. A lot of them are really gorgeous, too, though I stay away from the ones who are a little too good-looking, too buffed and sculpted. Who needs those gold diggers? Given the nature of a private club, you get to know everybody. Not like brothers, heaven forbid, but like friends – with benefits.

And as it happened, a few days after the season's shooting schedule stopped, I suddenly noticed something, quiet, like when you're outdoors and something in the weather makes all the birds just stop. It was the paparazzi, or rather the lack of them. Just to be sure I had one of our workmen stroll around outside and check around the bushes beyond the gate... nothing. This was my chance. Taking the mid- priced Honda, I keep just to go to the club. I drove out, hit the side streets, and made four right turns around the block to make sure I wasn't being followed.

And there I was... free!

Some innocent guy was going to be thanking God tonight for delivering him a TV star ready to fuck his brains out. Okay, a reality TV star, but one with boobs and a booty so big I come out of the TV in 3-D! I was so excited driving down there, my nipples alone could have poked out of your set and into your living room!

I'll skip the pleasantries, the welcoming drinks, and the mini reunion with friends, and get straight to the point: Allen, the friend-of-a-friend surfer slacker, out of college, bumming around odd jobs, figuring out what he wants to do with his life. He's also possessed of an endowment so huge that his beach buddies said he was always hanging "10."

It was everything I could do to act nonchalant and I'm impressed, which all went out the window later that night, when I saw that he truly was hanging 10 inches… And powerhoused an eruption over 12 inches long, not only putting the ruler to shame, but even thicker than my arm!

My jaw dropped and my eyes went wide! I couldn't even scream, I couldn't get a sound out. Mr.-Average-to nice-looking suddenly became Oh-my-fucking-God-rip-me-apart-with-the biggest-cock-I've-ever-seen-in my-life!

The first fucking was a blur, we were both too hot for foreplay or anything else. I had an orgasm before he had even gotten every thick inch into me, imagine that. And then I had another a couple minutes after when he finally got that super muscle cock up into me so deep I saw stars, and we

both climaxed immediately. And this was nothing. I was going to blow his mind by ordering him to take my ass to heaven. But first I was going to blow his half-hard cock back to such a concrete erection that in minutes it was back again standing straight up towards his chest!

Grinning at me, he ran a hand through my hair and gently pushed me onto my back on the bed. With a lusty groan he eased himself back into my pussy and with one hard thrust was now able to bury himself inside my willing, stretched out lovebox, right up to his balls.

I moaned as I was overwhelmed by his sheer size, pinned helpless to the bed. He was squeezing my big breasts that were so big that could take two hands each. "I'm going to cum again!" I exclaimed. Allen began pistoning in and out, hard and fast, while I surreptitiously mounted a vibrator into my ass, working it in deeper, and deeper as he fucked me, so that my ass could even take this mountain of a cock. I lifted my head and screamed as I came again. I was grinding the vibrator into my ass, deep and tight, when unbelievably, without warning I came yet again working hard against the savage thrusting from both his arm-sized cock, and my vibrator.

I flipped over onto my flat stomach, my boobs so big they protruded on either side of me. There it was before him, the ass that launched 1000 cocks. An ass that made men out of boys, made women think about planting their faces between my thighs, made TV cameras and still cameras record it for posterior posterity. And this horse-hung guy, who could have never dreamed he'd be in this situation, had it laid out before him, ready to be laid out, in, up, down, every which way he could.

I turn my head to look him in the eye. "Take me. I want you to take me up the ass. I want you to make me scream in pleasure and pain until you come gallons of my butt. Do you want that, do you want to cum up my ass? Then do it." I said. "Take me so freaking deep it brings tears to my eyes." He was speechless. Fortunately his giant, trembling cock near bursting with excitement did all the talking for him.

Slowly, he began to push it in. I whined a little in glorious pain, and then I felt it slowly start to slip in deeper. He held that position for a few minutes to let my anus get use to being stretched. Then, he pushed may be a third or half way in, and I felt my hole relax a little. He pulled back slowly and pushed back in less slowly as I moaned louder. I could feel Allen's body trembling, like a rubber band that had been pulled tight and was about to break. "Oh baby, I'm going to cum," he moaned.

"No!" I shouted. "Don't you fucking dare. Grab the base of it and squeeze," I ordered. Soon he was back at full force, and reaming my ass harder and harder, building up a rhythm, making me roll my head from side to side. I knew the biggest cock I've ever seen, fucking me up the ass, and deeper than any man or vibrator, was going to make me cum harder than I've ever cum in my life.

With a good grip on my hips, he started to slam it in. I was climaxing and climaxing and climaxing like I was having three orgasms at once. I couldn't stop. My God, what an ass pounding. Allen was about to go off, and I wanted to make sure he came harder than ever before as I felt his cock spasming in my ass. And then his whole body seemed to go off and orgasm. He was pounding and roaring while I trembled and screamed obscenely he was driving me so wild.

We stopped for an hour and began again playing with each other and fucking each other's brains out all night long. It just figures, doesn't it, that my reality sounds like other people's fantasy.

isabelle

When Alex and his fuck buddy Isabelle, feel the pang of desire, they don't waste any time getting in the mix. Immediately, she reached right for what she wanted, a mouthful of Alex's thick, veiny manhood, and wrapped her lips tightly around it until it stiffened in her mouth. After getting warmed up with a blowjob, Alex went down on her, gliding his tongue over the lips of her pussy and circling her clit.

MY FRIEND SAID THAT MY BUTTHOLE IS NOT ONLY AN EXIT BUT AN ENTRANCE. TOO!

Once he tasted her wetness, he replaced his tongue with his cock and thrusts it into her pussy again and again. But wait there's more... When Alex finally slid his cock in her ass, we all applauded:), Isabelle savored every sweet thrust, and rode Alex on the sofa to the brink of an intense anal sex orgasm. We must say we were so impressed with how well she too his cock in her butt. It actually looks like she enjoyed it, and we like that.

rose & sophia

Sophia and Rose were getting ready for a night at the club when Chris came in with a camera to capture their reunion. These two sexy girls in their tight outfits looked so nice and tasty. Chris knew what he had right in front of him, and all he had to do was find the right combination of questions to ask to get things going. It started off slow because the girls were not sure about the camera. The bartering continued as he took a picture of the two for himself first.

KICK BACK GUYS, WE'RE CUMMIN'.

His girlfriend Rose was used to this kind of thing, but he wanted both of them. One trade for another, and he got the goods. These two hotties played with each other before but never with a guy around. They warmed each other up as the pussy play evolved. They tag teamed their pussies as the camera rolled on. They made a this little hot sexcapade something to remember, and Chris got it all on camera.
